## Will you join us?

Our River Char is dirty – **a sign at the river mouth even warns us not to bathe there.**

We can change all that... and help our river to be sparkling clean and healthy again.

We're planning a **Charmouth Dragon River Festival** on **27<sup>th</sup> May, 2023** and  
we're starting the preparations on **Saturday 18<sup>th</sup> February, 2023, 2-5pm**

Please join us!

- Will you display publicity about the event in your shop/building/organisation and/or publicise it to your mailing list?
- Will you take part in the dragon (physically be in it)?
- Will you come and start to make the backbone on 18<sup>th</sup> Feb?
- Will you come and find out more on the 18<sup>th</sup> Feb?
- Is there anything particular you can do to contribute to the festival in May?
